INTRODUCTION

What is Linguaphone iEnglish Course?

This latest English course which is completely software based .The entire course is available in a USB drive which is fully encrypted.

Upon completion of the course, you will be able to listen, read, and speak confidently in English.

This course is suitable for students, working adults, professionals or anybody who wants to learn English. Institutions like schools, colleges and institutions of higher learning can also use the iEnglish course to train the students on English language fluency.

KNOW YOUR LINGUAPHONE I-ENGLISH

Linguaphone iEnglish Standard

The standard course covers level 1 and level 2 of the English course which takes you from basic to an intermediate level. You will be able to acquire a vocabulary of 1,500 words in English. The standard course is designed for those who do not have a basic understanding of English or for those with a limited command of the language to improve their fluency. Level 1 also has audio in Bahasa Indonesia.

Linguaphone iEnglish Advanced

The Advanced covers level 3 and level 4 of the English course which takes you from a Upper intermediate level to Advanced level. You will be able to acquire a vocabulary of 3000 words in English. This course is designed for those who have a basic knowledge of English but would like to have a better command of English.

The USB drive features

The USB drive

The entire course is stored in the special USB drive.

- The USB drive is copy protected using advanced encryption technology and can be used by only one user at a time.
- No installation is required.
- The USB drive must be plugged in when you use the course.
- A maximum of different 5 users can use the course.

Features of the USB drive

1. The USB drives can be used at any time and in any windows PC
2. Avoid pulling it carelessly or shaking it while disconnecting. Plug it out gently
3. Before you plug out the USB from the PC , first remove it from Windows by clicking on the tray icon
4. Click on “safely remove the mass storage device”.

Care for the USB Drive :

1. Always return the cap after use to avoid moisture and contamination
2. Protect it from water
3. Protect it from shocks as it shortens the life
4. Keep it away from a dust prone area

The structure of the course

The structure of the course

There are 4 levels to the Linguaphone Interactive English course.

Basic

Intermediate

Upper Intermediate

Advanced

Each level has **7 units**of learning .Each unit has many activities for you to **listen, Understand** and **practice** speaking the English language

At the end of each level there are further sections:

- **Grammar section** – refers to the unit where grammar pattern first appear, also gives detailed description of the point and more examples of how to use it
- **Glossary section**- gives you a full word list of all the vocabulary met in the level and gives you a key to which unit the word or phrase first appeared so you can refer back to the context. The meaning of the words are also given in Indonesian.

The meaning of symbols

The meaning of the symbols

The spoken practice descriptions

Spoken practice

The uniqueness of this course is the practice section where you are able to record your voice and compare with that of the original speaker. This course uses a propriety speech recognition technology to record and analyze your voice. Your speech is then compared with the original recording by a waveform diagram. This is an important part of the course and will help to quickly gain confidence in speaking the English language. Your speech will also be graded

- To record your voice click on the symbol , when the symbol is turns red your voice is being recorded , to stop recording click on the symbol again
- To get the best result, you will need to use an **external microphone** while doing the recording

- Not all activities have spoken practice only those which have will have the symbol
- **There are two ways you can do the spoken practice activities:**

1. When you see the practice symbol - within the activity
2. You can do all spoken practices for the entire unit when you click on the following symbol on the right side bar.

1. The USB drive
2. The structure of the course
3. Then meaning of the symbols
4. The activities
5. Spoken practice
6. Useful tips on learning

Video course

The Linguaphone Video course is part of a new generation of courses designed to give the language student a more intensive learning experience, and is the product of four years of intensive work by experts in language learning. They are designed to make learning easier by giving the student a 'kick-start' into the process, and features a combination of audio, video, and written sources for learning.

Activities

In this section, you can begin your course by selecting the level you want to learn. We provide a placement test to guide the user on a quick way of assessing the approximate level of a student's knowledge of English grammar and usage.

The full entire course is divided into 4 levels. (From beginner to Advanced)

Each level is split into 7 units of study.

In each unit:

- Presentation of objectives,
- Introduction of the new language
- Practice of new language
- Explanations of grammar patterns
- Mother tongue instructions to help build confidence

HOW TO BEGIN

Select the level you want to learn

We would recommend the user to kick start the course step by step as the entire course is designed in a way that the user will progress in the command of English as they study the course level by level and unit by unit.

Objective
Banyak orang menganggap belajar bahasa asing itu sulit, walaupun sebenarnya tidak demikian. Akan lebih mudah bila anda tahu dengan jelas tujuan anda belajar bahasa Inggris.
Tujuannya antara lain:
1. Rencana berkunjung ke Negara yang berbahasa Inggris, untuk bisnis atau berlibur;
2. Menghadapi pelanggan atau rekan yang berbahasa Inggris;
3. Kepuasan dapat menguasai suatu keterampilan yang berguna.
Ingatlah selalu tujuan jangka panjang anda selama mengikuti pelajaran ini.
Bahasa Inggris mudah dipelajari karena:

LEVEL 2
Grammar
Grammar
TO LIKE / MENYUKAI (UNIT 1)
Dalam Level 1, kita telah belajar cara paling mudah untuk menyatakan pendapat kita tentang sesuatu, apakah kita menyukainya atau tidak, dengan menggnakan kata kerja to like. Sama seperti semua kata kerja lain untuk menyatakan perasaan, to like dapat digunakan dengan kata benda (seperti dalam Level 1, Unit 6) atau dengan kata kerja. Kata kerja sesudah to like harus dalam bentuk participle-ing, yang disebut gerund, atau infinitif dengan to.
Like + kata benda:
Do you like your job?
Like + gerund (yaitu bentuk –ing):
I don't like working long hours.
Like + to + kata kerja dalam bentuk infinitif:
I don't like to work on Sundays
